SIMON SCHUSTER, United States, 2007. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. What if the rules that made you successful were the cause of your current problems? What if the name of the game was personal fulfillment rather than power and wealth? What if the biggest threat to your company s future was employee dissatisfaction? What if success in the digital economy depended on refreshing your work environment? What if you could eliminate friction between baby boomers and younger workers? What if the answer was eLeadership? From one of the world s leading management consultants comes a dynamic new style of leadership that will enlighten and inspire executives to rethink and retool their companies for the eWorld. With business practices changing on a daily basis, companies must create environments of speed and flexibility that will engage today s employees and allow radical ideas to thrive, because only those companies that move first and innovate fast will reap the financial rewards the digital economy has to offer. In eLeadership, author and consultant Susan Annunzio takes you beyond typical management-speak, offering a real blueprint for leading this revolution. Annunzio teaches new ways to: Create a twenty-first-century vision for your company Promote environments that succeed in the eWorld Think about what a company is and what it should look like Ignite passion for saving America s traditional businesses Through dozens of real-world examples of eLeadership in action, Annunzio shares the five critical steps to heroic leadership, and shows how to close the gap between the baby boomers...
