

Bullshit and Philosophy: Guaranteed to Get Perfect Results Every Time

Filesize: 4.29 MB

Reviews

These kinds of publication is the ideal pdf offered. It generally is not going to expense too much. I am just delighted to let you know that this is actually the very best book i have go through inside my very own life and might be he finest ebook for ever.

(Mabelle Schoen)

BULLSHIT AND PHILOSOPHY: GUARANTEED TO GET PERFECT RESULTS EVERY TIME

Open Court. 1 Paperback(s), 2006. soft. Book Condition: New. Bullshit is booming, both in the popular media and in the cloisters of academia. Bullshit studies received a tremendous boost from the pioneering work of Harry G. Frankfurt, yet his seminal theses in *On Bullshit* opened up more questions than they answered. In this 24th entry in the *Popular Culture and Philosophy* series (introducing authentic philosophical thought through striking examples in the everyday world), the editors of *Monty Python and Philosophy* return with another pithy collection of essays by the most highly trained intellectuals of our epoch. These Big Brains take the discourse well beyond Frankfurt and into the realm of Hobbes, Locke, Hume, and Kant, offering acute observations on bullshit in politics, science, the courtroom, and the classroom (with hardly any stretching of the truth). "An entertaining and eclectic collection of thoughtful approaches to a ubiquitous phenomenon and serious problem." Laura Penny "A witty and thought-provoking look at a word that has become emblematic of our time. The role of philosophy in public culture could not be made clearer." David J. Stump 272.
