Reviews

A very awesome ebook with perfect and lucid information. It is really simplified but unexpected situations in the 50 % of your pdf. I am pleased to let you know that here is the greatest book i have study inside my very own lifestyle and can be he greatest ebook for at any time.

(Noah Bruen)

A CONFLUENCE OF TRANSATLANTIC NETWORKS: ELITES, CAPITALISM, AND CONFEDERATE MIGRATION TO BRAZIL (PAPERBACK)

The University of Alabama Press, United States, 2014. Paperback. Condition: New. Reprint. Language: English . Brand New Book. A Confluence of Transatlantic Networks demonstrates how portions of interconnected trust-based kinship, business, and ideational transatlantic networks evolved over roughly a century and a half and eventually converged to engender, promote, and facilitate the migration of southern elites to Brazil in the post-Civil War era. Placing that migration in the context of the Atlantic world sharpens our understanding of the transborder dynamic of such mainstream nineteenth-century historical currents as international commerce, liberalism, Protestantism, and Freemasonry. The manifestation of these transatlantic forces as found in Brazil at midcentury provided disaffected Confederates with a propitious environment in which to try to re-create a cherished lifestyle.
