FBC LTD, 2017. Paperback. Condition: New. Language: French . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from **Francois Ier: Portraits Et Recits du Seizieme Siecle** Comment d ailleurs aborder l etude du passe sans recon naître la place immense que la religion y occupe? La religion, c est l homme reflète dans ses Dieux; et l homme est pour nous la source vivante de l histoire, qui la transforme, la renouvelle sans cesse, alors meme qu elle reagit sur lui par les institutions et les lois. C est donc l homme avant tout que nous avons cherche dans le passe; ce sont ses idees, ses sentiments, sa conscience, ses moeurs, et non pas dans leur signification generale et abstraite, mais dans leur caractere particulier, leur forme vivante. Si le seizieme siecle nous attire, c est precisement qu aucun n est plus fecond en individualites originales et fortes. Place entre la feodalite et la monarchie absolue, et en face de la Reforme naissante, la societe y presente dans son desordre une variete infinie, et l histoire s y trouve a une de ces heures d incertitude ou il suffit d un incident pour en changer le cours. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
