Roxie s fate must be decided and Hero knows only too well that mankind fears what it doesn t understand. But how can he make Roxie Malone trust him, when he had already taken her once himself? Roxie doesn t know why project wolves keep coming after her. Hero is always there to stop them, but after a shameless private confession, she never wants to see his lying face again. Until she turns into a wolf with tiger colors. Hero didn t plan it. Scent overrode common sense that night with Roxie Malone. She didn t even remember their night beneath the table on their first date. When he confessed what happened, she blamed him for it. She was his mate now, but only in words. When he saves her, she refuses to even look at him. Still, he tries to stick to saving the world, while at the same time, making sure Roxie Malone is safe. She is the only other werewolf out there like him. As she becomes a wolf with strange striped colors though, Hero realizes...

Reviews

This publication may be really worth a go through, and a lot better than other. It really is written in simple terms and never difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.
