

Why Do Insurance Companies Want Autistic People to Die? (Paperback)

By Travis Breeding

Createspace, United States, 2014. Paperback. Condition: New. Large Print. Language: English . Brand New Book ***** Print on Demand *****.As a parent to a child with Autism you definitely face many challenges in advocating for your child s most basic human needs. While those needs never go away sometimes the basic human needs change a little as the child grows up and becomes an adult. I talk to many parents who are experiencing a tremendous amount of pain and sadness with raising their Autistic child. It can be overwhelming at times to cope with the amount of anxiety and fear that is placed upon your life once your child receives an Autism diagnosis. Parents often ask me what some of the underlying issues of Autism are that their child might face in the years to come as they become teenagers and adults. While I try to remain optimistic and want to be encouraging to these parents it can be difficult to avoid telling them the reality of Autism as an adult. While the reality is that this is just one person s story and experience with Autism as an Autistic adult, I know many individuals who are adults with Autism...
