The book is great and fantastic. It is written in straightforward words and phrases rather than difficult to understand. You won't really feel monotony at any time of your respective time (that's what catalogues are for regarding should you question me).

Random House USA Inc, United States, 2016. Paperback. Book Condition: New. 203 x 132 mm. Language: English . Brand New Book. #1 New York Times bestselling author Laurie Notaro isnt exactly a domestic goddess unless that means she fully embraces her genetic hoarding predisposition, sneaks peeks at her husbands daily journal, or has made a list of the people she wants on her Apocalypse Survival team (her husbands not on it). Inspired by Victorian household manuals, Notaro chronicles her chronic misfortune in the domestic arts, including cooking, cleaning, and putting on Spanx while sweaty (which should technically qualify as an Olympic sport). Housebroken is a rollicking new collection of essays showcasing her irreverent wit and inability to feel shame. From defying nature in the quest to making her own Twinkies, to begging her new neighbors not to become urban livestock keepers, to teaching her eight-year-old nephew about hobos, Notaro recounts her best efforts and hilarious failures in keeping a household inches away from being condemned. After all, home wasnt built in a day. Praise for Laurie Notaro "Notaro is a scream, the freak-magnet of a girlfriend you cant wait to meet for a drink to hear her latest story." *The Plain Dealer* "If Laurie Notaros books dont inspire pants-wetting fits of laughter, then please consult your physician, because, clearly, your funny bone is broken." Jen Lancaster, author of *Regret Nothing* "Hilarious, fabulously improper, and completely relatable, Notaro is the queen of funny." Celia Rivenbark, author of *Rude Bitches Make Me Tired*.
