Reviews

A must buy book if you need to adding benefit. Better then never, though i am quite late in start reading this one. I am very happy to inform you that this is basically the very best book we have study during my own life and could be he finest ebook for possibly.

(Rodger Hane)

COLLECTORS: AN ADDRESS READ TO THE CLUB OF ODD VOLUMES AT ITS ANNUAL MEETING, BOSTON, DECEMBER 18, 1907 (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Collectors: An Address Read to the Club of Odd Volumes at Its Annual Meeting, Boston, December 18, 1907 It is not necessary, and indeed there is not now time, to consider anything in Antiquity. We begin with some Of the great - the greatest - collectors in the Middle Ages; these were some of the Monastic Orders, notably the Benedictines. Literature and History owe a large debt of gratitude to this illustrious Order. The libraries they made or gathered were, in their time, the shrines and strongholds Of Civilization. All the world has never seen a grander and more impressively seated institution than Saint Benedict s Monastery on the Monte Cassino. Venerable in age and history, vast in size, with its church interior covered by gold and marbles, gorgeous even for Italy, it stands on its lofty heights looking out over the craggy Appenines and the wild Abruzzi. Secluded in quiet, simple rooms is, or was, the famous library. Through many a generation it grew by the patient art of the transcriber. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
