Experiences is a small poetry book, which narrates the inner feelings of the Juan Carlos Recinos. A young and passionate poet whose experiences, sorrows, defeats, achievements and the many times he fell in love, are told in verses. What is special about this beautiful book is that these verses narrate inner feelings within a cycle of time, as many different things change over human being as he/she grows. The real life, the imagination and the fantasy of this young poet combines to create his first volume of poetry. It s small, but with great value, something that, from an early age, he began his way to the work of literature. It is touching to know that the innocence of this young poet is captured in exciting verses to describe and express the feelings of his early teens. This is what gives value to his poetry; he captures the important core of every one s young heart. His poetry pours emotions and feelings that undoubtedly every human being experiences in their daily lives. Each poem is an open door for each reader, for every life where nothing is different but only similarity exists between a literary genre and humanity. and that door will extend its arms to welcome you. so, please, don t hesitate to take the first step. ===== Experiencias es un pequeno poemario de versos libres, los cuales narran los sentimientos intimos del corazon joven y apasionado del autor asi como sus experiencias, sus tristezas, sus derrotas, sus logros, y las muchas veces que se enamoro.
