Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.From the sunny shores of Georgia barrier islands to brownstone townhouses in Georgetown deadly machinations have been set in motion by a shadowy coalition, comprising of some of the highest-ranking officials in government operating above the law. Driven by a professional code of duty and honor, Kelly and his team track down these people who would do anything to kill the president. A network of terrorists based in Atlanta is responsible for a bloody bombing in Savannah. Mike Kelly is assigned to topple the network and capture the ruthless bomb maker. One problem remains. It was too late to stop him and they have no idea where he will strike again. Mike Kelly and the team find themselves locked in a race against time to sort it all out. Mike Kelly, ex-Army Ranger, now in specials projects with Homeland Security foils a nightmarish attempt on the president of the United States. Facing the wrath of one of the most lethal terrorist to arrive on America s shores, Kelly is driven by his own code and instincts to survive taking...
