

Dragonar Academy: Volume 4 (Paperback)

By Shiki Mizuchi

Seven Seas Entertainment, LLC, United States, 2014. Paperback. Condition: New. Translation. Language: English . Brand New Book. Learning to ride and tame dragons comes easy to most students at Ansarivan Dragonar Academy - except for first-year student Ash Blake, who is known by his fellow classmates as the number one problem child. Poor Ash is the laughing stock at school because, despite his unfashionably large star-shaped brand that marks him as a future dragon master, he has nothing to show for it. His dragon has never appeared. Until now, that is. One fateful day, Ash's dragon awakes in full glory, but appears different than any dragon ever seen before-in the form of a beautiful girl! What's worse, Ash soon discovers that this new dragon has attitude to spare, as she promptly informs him that she is the master, and he, the servant. Ash's problems with dragon riding have only just begun.

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Ally Reichel**

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You won't feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
