The success of a company can be determined by a brand. Branding includes many factors, which help a company be successful. These factors may include a website, marketing efforts, and anything that gives a company an identity. All companies should practice branding. Brick and mortar businesses and online companies benefit through branding methods. It is common for smaller companies and online businesses to fail due to a lack of understanding about the importance and factors of a good brand. This item ships from La Vergne, TN. Paperback.
