Brand New Book ***** Print on Demand *****. My skin does a little crawling thing at the way he says my name, but I can t for the life of me figure out why. He seems nice enough. He s very polite and charismatic. Quite charming actually, to others at any rate. But just the way he says my name sends a warning tingle along my spine, and I can t get rid of it. Reagan Rykehart has been sentenced to a stint on Grandy Island, a reintegration camp for at-risk youth. Problem is, she was sentenced there not because of her own deeds, but for trying to help a friend. Guess that s what she gets for trying. Sailing away to meet her fate, she finds fate has other plans. Mostly because Reagan is stubborn and a little crazy. At least that s what people usually call folks who jump off ships. In the middle of the ocean. In the dark. Yep, definitely crazy. But will her new fate be even more grim than Grandy Island? Only time will tell.
