

Here s Nessie: A Monstrous Compendium from Loch Ness (Paperback)

By Karl P N Shuker

CFZ Press, 2016. Paperback. Condition: New. Annotated edition. Language: English . Brand New Book ***** Print on Demand *****.Nessie the Loch Ness monster (LNM) is not only the premier mystery beast of the United Kingdom, it also vies with the bigfoot or sasquatch as the most famous one anywhere in the world. Little wonder, therefore, that during his many years as a world-renowned cryptozoological researcher and writer, Dr Karl Shuker should have documented it and all manner of aspects relating to it in a wide range of publications Now, however, for the very first time and in direct response to popular demand, all of Dr Shuker s most significant but previously disparate Nessie-themed writings have finally been brought together, and in expanded, updated form whenever possible too, to yield the present LNM compendium, covering a fascinating, extremely broad spectrum of pertinent topics. These include: a comprehensive review of the history and controversies associated with this exceedingly contentious aquatic cryptid; a diverse selection of the most - and least - plausible taxonomic identities that have been proposed for it; the closely-linked traditional Scottish folklore of kelpies and other water-horses; various Nessie-related hoaxes; an extensive survey of other Scottish freshwater loch monsters;...
