SIMON SCHUSTER, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book. Prom should be one of the most memorable nights of your life. But for Camilla and Joshua, some elaborate promposals are getting in the way. Will they be able to land their dream dates in time for the dance? Promposal (n.)--an often very public proposal, in which one person asks another person to the prom, eliciting joy or mortification. Camilla can't help hoping her secret crush, Benjamin, might randomly surprise her out of the blue with a promposal. But when she's asked to prom by an irritating casual acquaintance--who's wearing a fancy tux and standing in front of a news crew--she's forced to say yes. However, all hope is not lost, as a timely school project gives Camilla a chance to get closer to Benjamin, and it seems like the chemistry between them is crackling. Is she reading into something that isn't there, or will she get her dream guy just in time for prom? Joshua has been secretly in love with his best friend Ethan since middle school. Just as he decides to bite the bullet and ask Ethan if he'd go to prom with him, even if just as friends, he gets a shocking surprise: Ethan asks Joshua for help crafting the perfect promposal--for another guy. Now Joshua has to suppress his love and try to fake enthusiasm as he watches his dreams fall apart, unless he can make Ethan see that love has been right in front of his eyes the whole time. The road to the perfect promposal isn't easy to navigate. But one thing's certain--prom season is going to be memorable.
