The Story Provocation: for learners of the Russian language (yes, yes, and for you too!) - Rasskaz-provokatsiya in Russian is Ignaty Dyakovs second unconventional language textbook. It follows the continuing story of George, a Guadeloupean banker embarking on a journey that sees his day to day life set against a series of crimes and provocations. Author Ignaty Dyakov, is a serial entrepreneur and professional Russian language teacher. He was inspired to write a series of stories that would teach useful vocabulary and grammar after some of his business clients complained that existing text-books were boring and had no relation to real life. I wrote it as an aid to making the Russian language study process a little bit more bearable for adult learners. This is an innovative and unusual textbook technique and has already received much acclaim from eminent Russian specialists. Undoubtedly, this textbook makes language learning more fun, interesting and thus less challenging. It can be recommended as an addition to any Russian language textbook for A1-B1 levels - your students will definitely succeed and progress in Russian language learning! says Professor Galina Levina, vice-provost of The Pushkin State Russian Language Institute. The book has been tested on Ignatys students who confirm that the story line keeps them intrigued and motivated to read...
