Reviews

This ebook could be worthy of a read through, and far better than other. I am quite late in start reading this one, but better then never. I realized this publication from my dad and i advised this publication to learn.

(Stefan Von)

ALEX SANDERS: BOOK OF LAW

Createspace, United States, 2012. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Alex Sanders, one of the world s most famous witches, and founder of Alexandrian Wicca is published in his own words for the first time. For nearly ten years Alex Sanders worked with scribe Derek Taylor creating hundreds of recordings and guides to witchcraft and mediumship. Sadly Alex died in 1988 but he left behind a huge body of unpublished works, and this is one such document. In Alex Sanders: Book of Law, you will uncover Alex s life experiences as a witch in the 1960s, his thoughts on witchcraft and the Alexandrian Book of Law. This very personal testament is full of surprises and glimpses into Alex s fascinating life, that twenty-four years after his death still captivates the world. The book also includes commentary from occult expert Daniel MacDonald, carefully he discusses the matters raised by Alex and compares the social and magick situations that existed and continue to do so today. Using his knowledge of the magickal societies he dissects the Book of Law and also poses questions for the future Alexandrian Wicca and Magick itself. *Also included is The Ritual of the Cabbalistic Cross by Alex Sanders. In his own words, Alex takes you through this ancient ritual; This is the Ritual of the Cabbalistic Cross, an invocation, a practice. This is an exercise. It is Hermetic. You must visualise streams of energy and you must feel them passing through your body. If the exercise is performed seriously it will always produce a profound and very distinct effect.
