Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, altered the way I believe.

RAISING CHILDREN COMPASSIONATELY (PAPERBACK)

Puddle Dancer Press, United States, 2004. Paperback. Condition: New. Language: English . Brand New Book. Your search for parenting tips that actually improve your family dynamics is over. While other parenting resources offer communication models or discipline techniques, this powerful, practical booklet offers the unique skills and perspective of the Nonviolent Communication (NVC) process. NVC stresses the importance of putting compassionate connection first to create a mutually respectful, enriching family dynamic filled with clear, heartfelt communication. An exceptional resource for parents, parent educators, families and anyone else who works with children. For over 40 years Dr. Marshall Rosenberg has taught NVC to parents, families, children and teachers. Parents around the world have used his advice to deepen family connections, move past conflicts and improve communication. His revolutionary approach helps parents motivate children to cooperate without either the threat of punishment or the promise of reward. Learn how to model compassionate communication in the home to help your children successfully resolve conflicts and express themselves clearly.
