Mel Bay Publications, Inc., United States, 2015. Paperback. Condition: New. Language: English . Brand New Book. This book was written for the student who wants to learn to play flamenco guitar correctly in the shortest time possible. A fanciful historical essay on the origins of the flamenco style begins this modest 32-page volume. Several of the most common techniques are used in the various introductory pieces, including various forms of Rasgueados and the 4-note tremolo. Classical guitarists with 1-2 years of experience will enjoy these challenging exercises and pieces. All studies and solos are shown in notation and tablature, and are included on the online audio download.
