Lulu.com, United Kingdom, 2012. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.We live in an imperfect world, we are imperfect people, yet we crave and demand perfection. I have learned how poetry can free you from this illusion, how feelings can transform into words and how words can carry away the delusion out of your mind, empowering you to enjoy what you already have. With Imperfect Poetry, I have been able to see what's behind the everyday curtain and laugh at the seriousness of the mind, turn sorrow into adventure, paint landscapes with emotion; I've realized feelings aren't attached to anything, and neither should you. Everyone has imaginary constructs that distort reality and make finding true happiness harder. After reading my book, I hope you will, too, learn how to break free from those demons and make your own imperfect poetry.
