

Autism Is a Blessing: A Family s Struggle with Autism and How They Found the Blessings

By Patty Corrigan Myers

Tate Publishing Enterprises, United States, 2008. Paperback. Book Condition: New. 203 x 132 mm. Language: English . Brand New Book ***** Print on Demand *****.Autism and blessing, these are two words not usually spoken in the same breath. When you think of autism: struggle, disability, hopelessness, fear, and grief may be the first words that come to mind. Autism is a Blessing by Patty Corrigan Myers is a book of hope. It is a story about a mother s personal struggle to overcome and answer all of the questions autism so aggressively throws in her family s face. Interlaced with testimonials from other families and friends who have a child with autism, this book stunningly illustrates the fact that those who deal with autism are never alone. Through this family s triumph, you will learn the important and clear steps to take once an autism diagnosis is given, and learn, as they have, that truly Autism is a Blessing. Patty Myers has a way of communicating her experience in realistic terms. She allows us to see the real her-the pain, the love, the depression, the hope, and in return we see ourselves in the same situation. -Troy Schmidt Author/Screenwriter of...
