Carlton Books Ltd, United Kingdom, 2011. Hardback. Condition: New. 2nd ed.. Language: English . Brand New Book. This is the story of football as it s never been told before. A cock-eyed compilation of match reports, correspondence and reminiscences from pundits, commentators, players, officials and spectators who weren t there but should have been: a Victorian public school headmaster bemoans the advent of soccer; PC Scorey records the altercations at the White Horse Cup Final in his notebook; the Russian linesman has second thoughts about Geoff Hurst s equaliser; God berates the Cardinal Archbishop of Buenos Aires about Maradona s claims of divine intervention; David Beckham s hairdresser provides David Seaman with coiffeur tips in the aftermath of the England s World Cup 2002 exit. The nutmegs, the tantrums, the penalty-shoot-outs that have provided the ubiquitous topic of male conversation for generations, are entertainingly evoked.
