Spuyten Duyvil. Paperback. Condition: New. 342 pages. Dimensions: 8.0in. x 5.5in. x 1.1in. Dr. M. Maurice Abitbol has spent many years treating and interviewing patients about their sexual lives. As the chairman of obstetrics and gynecology at New Yorks Jamaica Hospital Medical Center and as an associate professor at the State University of New York, he has brought both practical and academic perspectives to the subject of human sexuality. Drawing on his experiences with a wide variety of senior, sexually active patients as well as his extensive knowledge of the cultural, historical and anthropological aspects of human sexual attitudes and adaptations, Dr. Abitbol gathers together both the dynamic metrics and the psychologies inherent in the often overlooked area of senior sexual activity. His care in presenting case studies which form the core of **Sex in the Senior City** reflects not only an attempt to de-mystify the subject but to bring it into relation with medicines ever-growing understanding of the nature of aging and its resilient physical and emotional evolutions. **Sex in the Senior City** will prove a useful source for both the casual researcher and serious medical practitioner alike. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
