Broadrow Publications, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.In *Love and Addiction*, published 40 years ago and sold as a mass-market paperback on love, Stanton Peele and Archie Brodsky laid out every major issue confronting the addiction field today. This pioneering classic, which was excerpted in *Cosmopolitan* and spawned the codependence movement, is the first-and still the definitive-book on addictive love. The authors analysis makes clear that an addiction is an experience that takes on meaning and power in light of a person s needs, desires, beliefs, expectations, and fears. The goal of addiction treatment and recovery is not abstinence to the exclusion of all else, but to build a life that rules out addiction. Love is the opposite of the self-protective constriction of addiction; it is the expansion of your spirit with another human being. Remarkably, all of these issues-the widespread application of the addiction diagnosis, the limited value of AA and its disease...
