KANT AND LIBERAL INTERNATIONALISM: SOVEREIGNTY, JUSTICE AND GLOBAL REFORM (PAPERBACK)

Palgrave MacMillan, United Kingdom, 2014. Paperback. Condition: New. 1st ed. 2002. Language: English . Brand New Book. This close examination of Kant s writings shows him to be both a conservative partisan of the international status quo of sovereign states and yet also the inspiration for radical, global reform for democracy and universal rights. The focus on Kant s concept of justice provides insight into the contemporary evolution of liberal internationalism, connecting Kant s legacy to the post-Cold War policy agenda and the moral dilemmas that currently confront political leaders and the societies they represent. Franceschet forces a reconsideration of Kant and a broadening of concern from democratic peace to cosmopolitan justice.
