My Angels and Me is written for all, but particularly for women considering marriage and children. This true story is about the events that occurred during a challenging chapter in Inez McPadden s life that began with her own marriage and only recently concluded some eight years and two sons later. As she worked through that challenging chapter, reluctantly guided by her guardian angel, she found the clarity she had long craved. This book was written from the heart and meant for the soul! She is indeed convincing! -Rick Johnson Professional Editor and Author.
