

The Plant Remedy: Plant Spirit Shamanism and Healing (Paperback)

By Travis Bodick

Createspace Independent Publishing Platform, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. All plants have spirits, and when we connect to those spirits, we unlock the fantastic power within them. For thousands of years, people have worked with plant medicines and entheogens to find guidance, healing, and answers to lifes questions - and with this book, you are now ready to join them. The Plant Remedy is Travis s newest work which details everything the reader needs to know to work with plant medicines safely and to contact the spirits of plants for guidance and healing. Drawing inspiration from many traditional sources, including Amazonian and Andean Curanderismo practice, Travis takes this information a step further by adding his own eclectic and modernized perspective to these ancient medicines. This guide is based directly on the authors personal practice with plant medicines and offers all the information you need to contact the spirits of the plants for healing and guidance in your own life. This book is a must have for anyone interested in plant spirits and plant medicines!.
