Amazon Bestselling Post-Apocalyptic Series The End of the World was Only the Beginning. What would YOU do? In Book 8 (ABSOLUTION), the longest installment of the series, our group of survivors are lost. Reeling from the sudden demise of one of their own, and attempting to put a stop to the destruction wrought by Marcus Goodwin, Mason must avoid becoming a victim himself. As a new group quickly descends on our survivors, we find out just how depraved humans in this new world have become. Separated, scared and on the run, they must once again rely on one another and themselves if they hope find redemption in a world completely void of humanity. In this driving conclusion to The Dead Years, the city has gone dark and prays on those who have given up their will to live. Will Mason, Randy and their small band of survivors find the salvation they so desperately seek or is this new world simply too far gone? This is ABSOLUTION. It all ends here.
