Reviews

It is great and fantastic. I actually have read and so i am certain that i am going to going to go through once again yet again in the future. I realized this ebook from my dad and i encouraged this book to find out.

Dover Publications Inc., United States, 2004. Paperback. Book Condition: New. 208 x 132 mm. Language: English . Brand New Book. The second of Kant s three critiques, Critique of Practical Reason forms the center of Kantian philosophy. Published in 1788, it expands upon the central themes of Kant s school of thought with a vigorous defense of Christianity that positively affirms the soul s immortality and the existence of God. This seminal text in the history of moral philosophy offers the most complete statement of Kant s theory of free will and a full development of his practical metaphysics.
