

Raptor of Deliverance - Book I

By Jennings Baxter

Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.What if there were proof that human civilization began tens of thousands of years ago. What if there was documentation of the nature of creation the original plan for humanity. What if many of the world s spiritual traditions could be traced to a common source? And what if there were a hidden power that has sought to suppress this knowledge for millennia? Raptor of Deliverance is a spellbinding series that explores spirituality and the oneness of being, Jennings Baxter s debut is a mystery thriller of uncommon suspense and intensity. The internet is awash with tales of discoveries old and new related to ancient civilizations, the origins of good and evil, extra terrestrials, dark matter, quantum physics and creative consciousness. What is rare, however, is a cogent theory that accounts for all these disparate pieces in a convincing story that can easily be followed without a degree in any of those areas. Baxter draws together many loose ends of history one digestible insight at a time, as his characters seek a rational explanation for what at first...
