

## Always Growing: Fruit (Paperback)

By Dona Rice

Teacher Created Materials, Inc, United States, 2015. Paperback. Condition: New. 2nd edition. Language: English . Brand New Book. Take a seed from an apple and plant it in the ground. What will happen? If watered, the seed will sprout and begin to grow into an apple tree. The tree will eventually sprout flowers, which slowly transform into apples. The process of a tiny seed growing into a piece of fruit is an exciting process to introduce to young learners. Featuring vibrant photographs that show the growth process of fruit, this book will engage students and encourage them to describe what is happening in each picture. This book relates to Next Generation Science Standards and McRel Science Standards, and focuses on growth and change.
