Ehgbooks, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: Chinese . Brand New Book ***** Print on Demand *****.The book is in Chinese on Chinese Kungfu in academic theory but with 5,000 words in English. One of the key parts of the book in discussing is the six academic schools of kungfu, they are the oriental fields of all kinds of Chinese kungfu with the six kinds of method, theory and style. The fields are Confucianism, Taoism, Buddhism, the traditional Chinese medicine, martial art and the kungfu circle of citizenry. The history of them has more than 2,000 years. As a cultural form, in the past time, the style, the method and the theory of kungfu were always in changing, reformation and renewal. Especially in the last 100 year, the social condition of China has taken a great place, except the methods and theories, the instructed pattern, the using scope, the practiced effectiveness of kungfu is turning a great up to adapt to the policy, economy, culture and technology of China changing. Then to the early years of 1980 s, a national movement of kungfu practice in various reformed methods was spreading China continent up and led a new study was established. It was Chigung Science. Chigung is a practical method running through the whole practicing process of all the schools of kungfu. It is said, without kungfu, without Chinese culture, and without chigung practice, without Chinese civilization as well. As an academic system, Chigung Science is a fruit born on both of the backgrounds of East style culture and West science. It researched all of the phenomena relating human being .The most obvious part that different from the West science is the study pattern. In the pattern of Chigung science, the inner methodology from the...
